

Blink Super Flat Lash Tray

## BLINK SUPER FLAT LASH TRAY

### WHY CHOOSE?

Blink's newest and most innovative lashes yet! The new shape Super Flat lashes allows the adhesive to cover a larger surface area which significantly improves eyelash extension wear. Flat Lashes are extremely light weight and thin, making them feel softer and more comfortable on the eyes. Double the volume effect, with a beautiful matte black finish that your clients will love!

### HOW IT WORKS

Super Flat lashes have been pressed to an extreme fine ellipse shape that allows them to appear bold and dramatic while reducing weight by 75%.

## INGREDIENTS

Premium PBT fiber.

## PAO

Store in a cool and dry place.

## NET WEIGHT

12 strips per tray.

## SIZES

Thickness: 0.15 / 0.20

Curl: J, B, C, D

Length: 8-15mm or 7-14mm mixed tray

## COLORS

Black

## APPLICATION / METHOD OF USE

Remove strips from tray during eyelash extension services and place where convenient. Remove one lash at a time from strip with Blink Tweezers.

## COMPLEMENTARY PRODUCT(S)

Use Blink Lash primer before applying eyelash extensions. Use Blink Black Diamond or Crystal Drop Sealant for longer wear.

## TARGET MARKET

For eyelash technicians only. For those who want to improve their eyelash extension services by providing comfort and retention of lashes.
