

Hadaka 24KT Gold Trio

## HADAKA 24KT GOLD TRIO

### WHY CHOOSE?

Take advantage of the best price for the gold masks by purchasing the Gold trio. Not only will you save on cost, the 3 gold masks are sold in an eye-catching golden envelope that will sell themselves!

**Gold Eye Mask:** Tired of looking tired? Revive the look of puffy eyes with this gold infused under eye mask. The mask boosts collagen production and brightens the look of the eye as it penetrates the skin to provide for a deeply moisturizing effect. This mask will hydrate your skin so that it stays fresh and youthful, minimizing appearances of fine lines and wrinkles.

**Gold Lip Mask:** A hydrating lip mask infused with 24kt nanogold technology that prevents and targets the appearance of fine lines and wrinkles. This mask will leave your lips feeling smoother, softer and hydrated.

**Gold Face Mask:** The ultimate collagen boosting face mask for all skin types. It transforms the look of dry, dull skin and leaves you feeling hydrated and refreshed.

### HOW IT WORKS

Hadaka masks are infused with 24kt nanogold technology to help reduce and help prevent the appearance of fine lines. Formulated with active ingredients rich in antioxidants like grape and plum seed extract, it promotes elasticity, fights against premature signs of aging and protects skin from harsh environmental stressors and free radicals.
